Shenanigans' SCRIP Program allows your non-profit organization to purchase Shenanigans' Play Passes at 50% off face value. Your group then sells the Play Passes at face value and keeps the profit!

Getting started is easy!

There is no minimum order requirement and there is no cost to enroll. The only requirement is that your organization be non-profit.

The Perfect Risk Free Fundraiser!

If you need a quick and easy, high profit fundraiser that sells itself, the SCRIP card is the perfect fundraising solution to raise money for trips, tournaments, equipment, and more.

How The Program Works

The SCRIP Program is simple and highly profitable:

- You make 50% profit on every card you sell
- You can send back any cards you don't sell
- There is no minimum order
